5. **SANCOLD MC ELECTION: Progress report**
The election for the two vacant SANCOLD MC positions was underway. Four candidates had been nominated. The ballot forms had been sent out and were due for return by 23 November. It was agreed that Messrs Pyke and van Wyk would audit the vote count.

6. **ICOLD 80th GENERAL ASSEMBLY & 24th CONGRESS**

6.1 **Election of Vice President: Africa (2012 -2015)**
A new ICOLD Vice-President for the Africa Zone needed to be nominated and elected in 2012 for the term 2012 – 2015. The issue which arose is whether SANCOLD should aim to have a person from South Africa for this period or rather for 2015 – 2018. The possible hosting of the ICOLD 2016 Annual Meeting should be taken into account. Any nomination for a candidate had to be submitted to ICOLD by 4 March 2012.

The MC decided on the following approach:
- The Secretary would contact the other African National Committees to establish whether they intended to make a nomination or not. The information would be needed by mid-January 2012.
- If there would be such nominations then SANCOLD would rather aim for 2015 – 2018 so as to have a Board representative during the hosting event.
- If no candidate were to be nominated then SANCOLD would arrange for a nomination for the 2012 – 2015 period. It would be preferable to have another country make the nomination.
- Potential nominees were considered and Exco would take the matter further as to how best to serve ICOLD/SANCOLD.

6.2 **SA Papers**
SANCOLD had submitted 12 papers for the Congress. The authors were aware of the cost implications of pages greater than the free quota.
